2005 CALERA VIOGNIER

**Calera 2005
Thirtieth
Anniversary
Vintage Viognier, Mt.**

Harlan Calera's was the first California Viognier I ever fell in love with, years ago. It hasn't changed much. Still loaded with exotic fruits, it's an opulent wine that manages to be elegant and charming despite the size. Guavas, nectarines, peaches, lemon mousse, honeysuckle and crème brûlée begin to suggest the range of flavor sensations. — S.H. (6/1/2007)
