

International WINE REPORT

COASTAL CALIFORNIA REVIEWS • JULY 2015

The **2013 Central Coast Chardonnay** from Calera comes from 10 different vineyards across the region. The wine itself displays pretty aromas of green apple, white peaches, poached pears and stony minerals which come together beautifully in the glass. On the palate it possesses a luscious creamy texture, complemented by excellent balance of fruit and acidity. A fantastic appellation Chardonnay from Calera that many will enjoy over the next five or so years. (Best 2015-2020)
