

CALERA 90 points

2000 CHARDONNAY MT. HARLAN

"Seriously endowed"

This seriously endowed, light gold-colored wine exhibits a reticent but promising nose of poached pears, acacia flowers, and sweet honey. Crisp, with more minerality in addition to a brioche/leesy component, a good texture, and a fine finish, this medium to full-bodied white should drink well for 3-4 years.

Robert Parker, 8/26/05
