CALERA WINE COMPANY
2005 Chardonnay **MT. HARLAN**

From Mt. Harlan's limestone slopes, the 2005 Chardonnay 30th Anniversary exhibits a greenish/gold color as well as a **nuanced perfume** of honeysuckle, pears, white peaches, and stones. **Full-bodied with beautiful acidity, a broad, complex mouthfeel, and stunning richness**, it is a **fabulous bargain** that should age easily for 4-5 years.
