## CHARDONNAY

M T . H A R L A N

“There’s a stunning amount of action on the nose of this bottling by Josh Jensen, with dried jasmine, lemon curd, squeezed tangerine, key lime pie and a warm touch of nuttiness. Rounded stonefruit and apple blossoms show on the palate, which is bound by a grapefruit pith grip and features a steadily growing salty character that comes on smooth and strong. A botanical twist hits the finish. – MK”
