

“A beautiful Chardonnay that does everything right, the **2015 Chardonnay Mt Harlan** comes from limestone soils and spent 14 months in 30% new French oak. It has an incredible salinity as well as notes of citrus, tart apples, orange blossom and toasted bread. Clean, crisp and laser focused on the palate, yet with fruit and depth, it’s a dead ringer for a Grand Cru White Burgundy. It will be even better in another 6-12 months, and keep through 2025.”
