

International WINE REPORT

OCTOBER 2017

The **2014 Jensen Vineyard Pinot Noir** is a remarkable wine from Calera. As this slowly opens it releases attractive aromatics of fresh red berries, dark raspberry, dark soil, blue fruits, rose petals and savory spices, all taking beautifully shape in the glass. This is a dense and balanced Pinot Noir which possesses a silky, elegant texture and continues to impress all the way through the pretty finish, where red fruits and mineral notes linger on. A gorgeous Pinot Noir that will continue to evolve beautifully for many years to come. (Best 2018-2035) - MD
