POINTS

2008 Mt. Harlan Reed Vineyard Pinot Noir

“The Calera signature is all over the transparent red fruit of this wine, a delicacy and brisk, spicy character that keeps the wine bright and tight. The light, silken texture may be, in part, due to the northern exposures of this 4.4 acre site, the inner strength of the structure augmented by the still-youthful stemminess of whole cluster fermentation. Built to age. (74 cases)”
