“The **2014 Pinot Noir Reed Vineyard** is a classic expression of this site and has the hallmark sassafras, mint, rose petal and sweet core of strawberry and raspberry fruit. It’s ethereally textured on the palate, with bright acidity balanced by plenty of fruit and texture. It never has the weight or girth of the other single vineyards, yet always shines for its complexity and vibrancy. In short, it’s a beautiful Pinot Noir that speaks to this great site.”
