

“The **2014 Pinot Noir Ryan Vineyard** is a powerful, bombastic wine with huge fruit and equally imposing tannins that demand patience.

Waves of dark, deeply sketched fruit hit the palate in a virile Pinot Noir that is going to need at least several years to truly come into its own.

By no means a shy wine, the Ryan also has tremendous potential. In 2014, the Ryan was done with 70% whole clusters, which is a bit lower than normal.”
