

WINE ENTHUSIAST

CALERA WINE COMPANY 2003 SELLECK PINOT NOIR

“You’ll fall in love with this pinot right away for its softly luscious flavors and balanced harmony.”

You’ll fall in love with this pinot right away for its softly luscious flavors and balanced harmony. The cherries and raspberries taste like they came from gorgeously ripe fruit, baked into a delicious pie. Yet somehow the wine stays dry and elegant, due in part to its acidity. Tastes completely young and fresh now, and should develop bottle complexity through 2012.
